

Genie Forklift

Genie Forklift Training Brampton - Genie is a globally established company that enjoys the spirit of alliance with their extensive network of associated consumers. Genie Industries prides itself on the thought of bringing materials and people higher and extending further beyond the goods they produce. Genie Industries strives to help clientele build their operations no matter how large or small the level of undertaking may be.

In 1996, with the inauguration of the Genie Hoist, which is a pneumatic, transportable material lift spawned the foundation of Genie Industries. A succession of aerial work platforms and other materials lift trucks followed to satisfy customer demand. These modern goods secured international acknowledgment and established state-of-the-art product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to manufacture and maintain foremost quality construction and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material forklifts on the jobsite, the company is securely planted in their exceptional customer values and service. Acknowledging that their customers are their greatest motivation, the team at Genie Industries are individually committed to providing expertise and maintaining customer rapport.

The conscientious team is continually dedicated to recognize the most green and cost-effective, environmentally accountable methods to develop the goods the customers would like. The company's -lean manufacturing"• practices help minimize waste while providing the utmost quality merchandise possible in the shortest timeframe at the least expensive cost to the customer. The staff at Genie Industries is proud to serve the industry and this is mirrored in every product they design. Always welcoming consumer contribution helps them to manufacture and develop modern new products that are straightforward to service and handle, provide optimum value-for-cost and satisfy worldwide standards. Thriving on customer criticism enables Genie Industries to repetitively evolve and meet the consumers' requirements.

Genie's service professionals are readily available to offer solutions to the queries you may have in order to keep you fully operational. Their vast components network will swiftly ship parts to guarantee their consumers' equipment are operating effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries takes great delight in its client service and builds and serves its products to guarantee proficiency and maximum uptime on the job. Providing on-going education opportunities, to marketing support to flexible financing options, Genie Industries offers their customers the resources to get the most out of their purchase.
